

Has it been a while since you've worked with Algebra? After you've reviewed pre-Algebra topics, try these...

Would you like some review in solving one step algebraic equations? Try watching this 6 minute video:

<http://www.youtube.com/watch?v=jVLrsyLqEL0>

Want some practice?

Here's an activity for solving one step equations;

[http://www.khanacademy.org/math/algebra/solving-linear-equations-and-inequalities/why-of-algebra/e/one\\_step\\_equation\\_intuition](http://www.khanacademy.org/math/algebra/solving-linear-equations-and-inequalities/why-of-algebra/e/one_step_equation_intuition)

After that, come here, and take it to the "next step".

Here's a 6 minute video on solving multi-step equations:

<http://www.youtube.com/watch?v=HRRb-I1POHk>

Practice for two step equations:

[http://www.khanacademy.org/math/algebra/solving-linear-equations-and-inequalities/equations\\_beginner/e/linear\\_equations\\_2](http://www.khanacademy.org/math/algebra/solving-linear-equations-and-inequalities/equations_beginner/e/linear_equations_2)
